Comments:

Ms. Hallman,

Further to our telephone conversation of this morning, enclosed please find a copy of the Response to Notice to File Missing Parts of Application, together with the executed Declaration and Power of Attorney which we attended to filing with the U.S. Patent Office on December 12, 2001 for the above-referenced patent application. In addition, please also find enclosed a copy of the date stamped post card received back from the Patent Office and which bears the date of January 23, 2002 as the date the above-mentioned papers were received by the Patent Office.

Lastly, since it appears as though the Patent Office cannot locate the Response to missing parts filed on December 12, 2001, please also find enclosed a copy of the executed Assignment document and assignment recordation cover sheet, both of which were also filed on December 12, 2001. Kindly forward these papers to the proper department for processing same.

If you have any questions, please do not hesitate to contact me.

Thank you.
